

If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God. - Colossians 3:1

There is a movement happening among the people of God. Because He is holy, creating universes and human souls. Because He has exchanged His Son's life for ours, the sacrifice that shook the heavens and woke the dead from their graves. Because He set before us the path of abundant life, in the fullness that only He can give. Because He has called us to spread His truth like wildfire, lighting up the world for the sake of His name. We must respond to His holiness, His offer, His way, and His message. We cannot shrink back. It's time to rise up.
